

RANSILU ABERATHNA

| 3D Animator | Rigging Artist |
| Video Editor |

ABOUT ME

I am a passionate 3D Animator and Rigging Artist with a strong background in animation, VFX, and CGI. With experience in 3D modeling, animation, video editing, and technical rigging, I am constantly improving my skills to stay at the forefront of the industry. My expertise includes character rigging, procedural animation, and pipeline development, and I thrive in both creative and technical problem solving.
